Dear Parent / Carer

May I apologise for the disruption to your child's learning during the extreme weather we are experiencing. **Following a site inspection this morning, school will be closed today for health and safety reasons.** This is due to adverse weather and the dangerous condition of our grounds and the paths leading to them.

We expect to be open as normal on Monday. However, due to the freezing and changing weather conditions you should check the school website at [www.theradcliffeschool.co.uk](http://www.theradcliffeschool.co.uk) for further information.

Yours sincerely
