

## GDPR Statement – Covid 19

In addition to our existing Data Protection Policy and General Data Protection Regulations (GDPR) Privacy Notice, the following addendum is in place during the current Covid 19 restrictions. This relates to how we will process and share data whilst the Covid 19 restrictions remain in place.

### **Updated GDPR Statement for The Radclyffe School**

***"We may seek to collect, process and share your personal data in response to the recent outbreak of Coronavirus, which is above and beyond what would ordinarily be done so, about our staff, their dependents, our students and the general public, to ensure their safety and well-being."***

***"The legislative framework supporting data sharing relating to the management of the COVID19 pandemic is the notice under regulation 3(4) of the Health Service Control of Patient Information Regulations 2002 and it is in the interests of public health that we share information where necessary for the purpose of COVID19 management. Such information will be limited to what is legal, proportionate and necessary, taking into account of the latest guidance issued by the Government and health professionals."***
