

At The Radclyffe School we recognise the positive impact that enrichment activities have on us and recognise the value that taking part in Enrichment activities has on developing skills outside the classroom.

Enrichment

We understand that our students are being asked to engage in more screen time than they ever have. We would like to provide opportunities for students to engage with activities which offer some respite from looking at a screen.

New for this half term will be our '**Enrichment at Home**' activity which aims to provide **students AND parents** with the opportunity to take part in activities which they can complete together, at home.

Each week a new activity will be set for you to complete. Please submit your completed activity to:

teachingandlearning@theradclyffeschool.co.uk

Each week we will select a winner and celebrate the efforts of everyone who submits something to us.

ENRICHMENT CHALLENGE WEEK 1

WEEK COMMENCING 22/02/21
