

TRS BUILD YOUR FUTURE PROGRAMME

Employer

Careers Education Information

Are you planning for the future? Making connections with our young people here at The Radclyffe School will benefit your organisation by cultivating the attitudes and skills you need for the future workforce.

Ways to get involved:

- ✓ Offer a work experience placement
- ✓ Promote your sector through talks and interactive workshops at our Industry Days
- ✓ Help students be work ready and future ready with 1-1 mentoring sessions
- ✓ Support students in preparing for their next steps through activities like mock interviews, applications and personal statements
- ✓ Promote your sector through world of work days

What is in it for your company?

- ✓ Opportunity to promote your company
- ✓ Raise awareness of the skills required to be successful in your industry
- ✓ Inspire young people to want a career in your sector
- ✓ Give something back to young people whilst raising your companies profile
- ✓ Opportunity for your staff to develop and network with other businesses

The Radclyffe School works with a range of different employers both locally and nationally and we truly believe that linking our curriculum with the world of work supports our young people in going on to be successful young citizens.

The events we host are an opportunity for you to give back to the young people of tomorrow and raise your profile.

If you can help in supporting our young people on their career journey in any way please contact our Careers Lead at: KParkinson@theradclyffeschool.co.uk
