

TRS BUILD YOUR FUTURE PROGRAMME

External stakeholder comments

Kerry Keenan, Parent of a Year 9 Student; "I just wanted to thank you for arranging such a fantastic event for the students yesterday. Olivia came home so enthusiastic about the day, she told us about what she'd learned and what direction she wants her education and future plans to go in. Thank you!"

Fresh Beleaf; "Today was an excellent opportunity to spark inspiration and teach the students that they can achieve anything they want. Students understood the value of how a small act can have a ripple impact on the lives around them. They have grasped the concept that they can earn money and help society at the same time".

Manchester College; "The Year 8 Industry Day was very well organised and was very engaging for the students. I have found it extremely useful to be able to talk to students about their Post-16 options and career choices".

Northern Care Alliance (NHS); "You should be very proud of your students. They were very interested and engaged in the session".

AFL Architects; "A wonderful day! So well organised, fantastic staff and students – we were really well looked after and hopefully made a difference to the young people".

Mark Fowle, Governor; "I would like to thank you for the excellent organisation of the Year 11 Mock Interviews this evening. It was a real privilege and uplifting to meet these talented young people. They interviewed really well and have such high aspirations for their future. Your helpers were also excellent and took great care of the Governors. All of this reflects really well on the school".

Oldham College; "Year 8 industry day was really well organised and the Year 8 students engaged really well. Lots of important questions were asked by the Year 8's which is always great to hear. We are always happy to support all Year groups at The Radclyffe School".

RRG Group; "The Radclyffe School Year 8 students were extremely pleasant and engaged in the sessions showing a keen interest in their own career journey".

Young Enterprise; "Thank you for inviting us back for the careers day. There have been some great conversations around careers with your Year 8 students, alongside some inspiring stories from your students".

Marya Javed, Kooth; "Really loved being in school today. I felt the students really listened and interacted with my session. Thank you for having me!".

KOMI; "A very enjoyable day at The Radclyffe School during their Career Day. Students engaged in the sessions and asked relevant questions to further their knowledge and understanding".

Hussain Al, Governor; "I was blown away by the students that I met today. The three students who greeted me at reception were extremely polite and friendly. They are an asset to the school! The students I met in the mock interviews were quite simply remarkable. I was blown away by their applications and conduct in the interviews. Their commitment to working hard, to bettering their lives and to making themselves and their families proud was so pleasing to see! They were all polite, friendly, charismatic and very well spoken! I know they will go on to do extremely well in their GCSEs and beyond. Also, I had a quick walk round after

The Radclyffe School
"Working Together for Excellence"

my interviews and it was great to see the school buzzing with both parents and students. It is great to see that parents are rightly committed to finding out the progress of their children.
